Dear Mr. Mcshane and Jim,

On behalf of the Lake County Bar Association, I would like to thank McShane's, Inc. for the generous gift of Gold Level Sponsorship and for participating in our Bench Bar Conference. Your support and contribution helped make the 2016 LCBA Bench Bar Conference a huge success. I am looking forward to working with you on the 2018 LCBA Bench Bar Conference.

Below is the logo and photo which appeared in our November Newsletter, recognizing McShane's as a sponsor.

Please know that your support and generosity does not go unnoticed. If the Lake County Bar Association can assist you in any regard, please do not hesitate to contact our office at (219) 738-1906. Without your involvement, member events like this would not be possible. Thank you again for your support of the Lake County Bar Association.
